Honorable Edward P. Boland, Chairman  
Permanent Select Committee on Intelligence  
House of Representatives  
Washington, D.C. 20515

Dear Mr. Chairman:

Thank you for your letter of August 4, 1978, which forwarded the Subcommittee on Evaluation's staff report, Warning: An Assessment of Intelligence Community Performance and Capability. I agree with your observation that effective warning is an exceedingly important aspect of the Intelligence Community's responsibilities, and I welcome this opportunity for exchange with your Committee.

The reports which you have forwarded to me have been circulated to the appropriate components of the Agency and Intelligence Community staff.

Yours sincerely,

/s/ Stansfield Turner

I am forwarding herewith a copy of a letter to the DCI from Chairman Boland. As you will see the letter is forwarding a copy of HPSCI's paper on Warning. You will note that the Subcommittee on Evaluation plans to hold hearings on Warning in the fall and that the Committee will want views on this paper and the Warning issue generally, prior to that time. For your information, I have forwarded the two other copies that we were provided to NFAC for review by NFAC leadership as well as NFAC analysts.

I assume that the interested components within NITC will be respective committees which were interviewed by Diane LaVoy, HPSCI staff.
